Eliminator Blades**Models Affected:
All 63XXXX Midsize Units****Issue**

We have released **2722543** Eliminator Blades that may be used in place of our standard high lift blades.

Eliminator Blades feature the following benefits:

1. Produce a finer, higher quality of cut while reducing stragglers.
2. Have a longer cutting edge to provide better mulching.
3. Produce a balanced air flow to help reduce blowout.
4. Require less horsepower to operate.

Please see the spreadsheet under **Correction** for proper part numbers.
