## INFORMATION BULLETIN

### 430 Air Filter Change

**Date:** January 03, 2013

**Bulletin No:** JC-13-05

**Product Type:** STEINER 430 with Kubota engine

**Customer Issue:** Kubota made a change to their air filter assembly and the wrong components could be ordered.

**Cause:** Kubota has changed the air filter from a steel canister to a plastic canister. Models 75-70006A and 75-70008A can have either steel or plastic canisters.

**Action required:** When ordering parts for the air filters, the customer should know what they have installed on their unit (Steel or Plastic) and order the appropriate parts, according to the chart below.

Steel

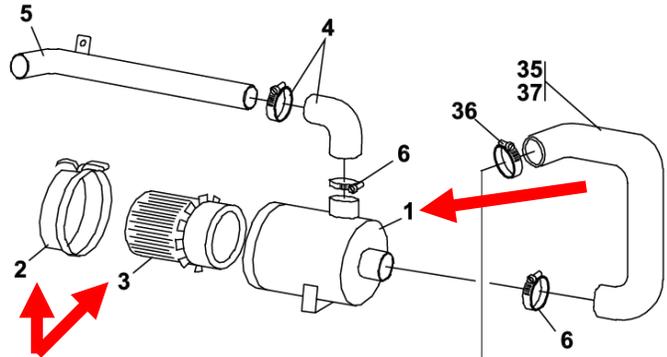

Plastic
