**Date:** March 20, 2018

**Bulletin No:** JC-18-05

**Product Type:** QuickCat

**Subject:** Update to bulletin JC-16-11REV1 – **PRICE REDUCTION**

Effective immediately the price on KIT-TRANSAXLE CAP 970570 is being reduced from a List Price of \$120.98 to a List Price of \$61.

**Action Required:** We want to make sure all dealers are correctly credited in the event they purchased this part before the price reduction. Therefore, to correctly compensate dealers on claims, we are going to request that the dealer attach a copy of the invoice to the claim to validate the higher price paid. Failure to submit a copy of the invoice will default to the lower price of \$61 being credited on the claim.
