

I.S.-61" COLLECTION SYSTEM CONVERSION KIT G-SERIES COLLECTION TO F-SERIES ZT2 (970414)

4166491 REV A

INTRODUCTION: This instruction sheet aids in mating a "G-Series" Collection System to an "F-Series" ZT2 with a 61in. deck. If you own a 52" model, no special considerations are required when installing a "G-Series" collection system.

1. Remove the current discharge baffle (**A**) from the deck and retain the hardware See **Figure 1**.
2. Install the new discharge baffle (**4166317.7**) similar to the the old baffle (**A**) using the hardware retained in Step 1.
3. Install the collection system as outlined in those instructions.
