February 12, 2010

Bulletin No: JC-004-10

Product Type: FastCat, RZ (Residential Z) & CZ (Consumer Z) units.

Issue: 970357 Folding ROPS fit interference on 61" units ONLY. This involves the ROPS for the 61" FastCat, the RZ and the CZ units ONLY. If you have any of these kits in your inventory they will not fit the 61" units. This is due to interference of the uprights with the gas cap as well as obstructing access to the oil dipstick. The 970357 ROPS will still fit ALL other size FastCat, RZ, and CZ units. Any ROPS kit 970357 ordered from this date forward will fit all FastCat, RZ and CZ units.

Action Required: If you need to install a 970357 ROPS from your existing inventory on a 61" unit, contact Schiller Grounds Care Service Department to request a No Charge swap out of the uprights.
